

**Principal Business Consultant**

Recognized for more than 25 years of growth in visual data mining technologies, Salient delivers a lightning-speed solution that empowers people and impacts business at all levels. As an industry leader, we attribute our success to our cutting-edge technology and to the contributions of our dedicated, forward thinking employees.

We offer a fast paced work environment. We focus on the professional development of all employees. As part of our generous compensation package, Salient offers paid time off between Christmas and New Years. We foster open communication and are committed to a team oriented environment.

Salient Management Company, a developer of performance accounting and decision support systems, is seeking an experienced management consultant with operational experience and knowledge of the retail/food & grocery industry. Familiarity with performance management is important. MBA degree is desired. Candidate will be expected to work directly with operators, recognize managerial/operational performance issues and facilitate intelligence driven solutions. This is a great opportunity to be part of a fast-paced team changing the way business intelligence and decision support systems are implemented.

Salient Corporation is proud to be an Equal Opportunity Employer.

All qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, sexual orientation, marital status, military status, veteran status, age, national origin, citizenship, ancestry, disability, predisposing genetic characteristics, domestic violence victim status, or any other status protected by law.

In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification document form upon hire.
