

Computer Software Engineer

Recognized for more than 30 years of growth in visual data mining technologies, Salient delivers a lightning-speed solution that empowers people and impacts business at all levels. As an industry leader, we attribute our success to our cutting-edge technology and to the contributions of our dedicated, forward thinking employees.

We offer a fast paced work environment. We focus on the professional development of all employees. As part of our generous compensation package, Salient offers paid time off between Christmas and New Years. We foster open communication and are committed to a team oriented environment.

We are seeking a Computer Software Engineer to solve complex problems and implement new features into our enterprise software suite. This full-time position will be located in Horseheads, NY.

To perform this position successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the minimum knowledge, skills and/or abilities required.

Education/Experience

- B.S. in Computer Science, Mathematics or Software Engineering and a minimum of 3 years of experience with C++, Object Oriented Programming, MFC, C, and STL.

Primary Duties & Responsibilities:

- Understand software design documents and translate specifications into well documented and logical code
- Assist in developing software design documents for small/solo projects with regular supervision
- Support (internally), maintain and modify existing solutions
- Participate in multi-person development projects with occasional supervision
- Research/develop solo projects or features with regular supervision
- Research small to medium features and present findings to team
- Create test cases to ensure proper testing of functionality and testing

Preferred Skills or Knowledge

- Attention to detail
- Experience using performance profiling tools
- Excellent communication and time management skills
- Ability to work in a team setting

Technical Skills

- C++
- Object Oriented Programming
- MFC, C, STL

Salient Corporation is proud to be an Equal Opportunity Employer.

All qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, sexual orientation, marital status, military status, veteran status, age, national origin, citizenship, ancestry, disability, predisposing genetic characteristics, domestic violence victim status, or any other status protected by law.

In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification document form upon hire.
