Amy H. Kotch, MHA
Principal Business Consultant

Maria Nikol, MJ Sr. Business Consultant

How familiar are you with the data available to you from your payers?

- Not at all familiar- I don't look at data
- Somewhat familiar- I get reports, but don't know if more is out there
- Familiar- I have an idea regarding what my options are
- Very familiar- I work with it

Agenda

- Data Sources
- Obtaining the Data
- Organizing & Enriching the Data
- Continuous Process Improvement for VBP
